The SAP's will show how we manage the activity and the risks associated with that activity. Let us know if you have any questions by ringing Gus on 027 7845996

We have a wide range of activities that the children can choose from during the week. The activities will differ from season to season.

Chapel time

We have Chapel time every morning where we talk about God, Jesus Christ, the bible and issues young people may deal with. For a full statement as to what Finlay Park adhere's to please see <https://www.finlaypark.co.nz/we-believe/> or go to our website, click on Home, and select " what we belief, infographics".

Behaviour

Finlay Park is Christian camp where we plan to have good fun and to make great friends. We expect every camper to be well behaved and to respect camp property. Unless not feeling well, all campers should join in with combined activities. We retain the right to send home anyone who misbehaves, presents a risk to others or themselves or is uncooperative, minus their camp fees.

Accommodation

For sleeping purposes campers are divided into age appropriate cabin groups. Each group has cabin leader(s) appointed to them and comfortable bunks and mattresses are provided. First class showering and toilet facilities are provided to ensure a high standard of personal hygiene. All sleeping accommodation are in permanent buildings and dining and kitchen facilities are of the highest standard. Children under the age of 9 will be advised to be on bottom bunks.

Canteen

Children will have the opportunity to purchase lollies and other treats from our canteen once a day for half an hour. Canteen is included in the registration fee.
